**Your fonts, logos,
colors and images
form a visual
identity for your
brand.**

graphic design

(noun)

the art or skill of combining text and pictures in advertisements, magazines, or books.

what works best?

1. START WITH YOUR VALUES AND IMAGE

What do you want to stand out for? How do you want to be perceived online?

2. FIND YOUR COLOURS, FONTS AND NAME FOR YOUR BUSINESS

Your visual identity is important. Build your moodboard.

3. DESIGN YOUR LOGO AND TAGLINE

Your logo should be easy to spot, recognisable and unique. Your tagline tells your customers what you offer.

4. GET RECOGNISED

Aligning your branding across your online platforms will add professionalism and trust to the feel of your business.

02 your brand

stand out

brand identity

- A brand identity is the face of your business.
- You get recognised through your brand identity.
- It needs to align with your business goals and target audience for best results.
